

Wohlner's

Neighborhood Grocery & Deli

General Manager

Wohlner's Neighborhood Grocery and Deli is looking for a General Manager. We are a family friendly environment where customer service is top priority.

Job Summary

The Store Manager is responsible for the successful operation and profitability of the store, including all cash and profits of the store, and for exemplary customer relations. Supervises and directs all store operations, including sub-department managers. The job requires a full understanding of all store operations, including Meat, Produce, Bakery/Deli and Grocery Departments. The job performs such tasks as interviewing and hiring employees, establishing work schedules and managing employees' concerns, and is responsible for bookkeeping and all required daily reports.

Responsibilities

- Daily Conditions - The General Manager ensures that the store operates according to company policies and procedures;
 - Interacting with customers delivering World Class customer service
 - Conducting walkabouts
 - Completing stock rotation
- Inventory - The General Manager ensures profitability by making sure in-stock conditions meet company standards;
 - Providing good selection
 - Ensuring top sellers are in stock
 - Monitoring product mix
- Management - The General Manager ensures that the store and personnel are managed per company standards
 - Hiring, training, and coaching of all staff
 - Completing operational responsibilities (daily schedules, checklists, opening and closing store duties)
 - Serving as coverage for all departments and attends to each as needed

Requirements

- Previous work experience in retail store management
- Two or three professional references (i.e. store manager, district manager or previous employers)
- Must pass required background check

Apply in-store at 3253 Dodge Street, Omaha, NE 68131.
